

Analysis for Failed Test cases

1- testSearchByDifferentCriteria

a. Test Data:

Specialty: Dentistry (Teeth)

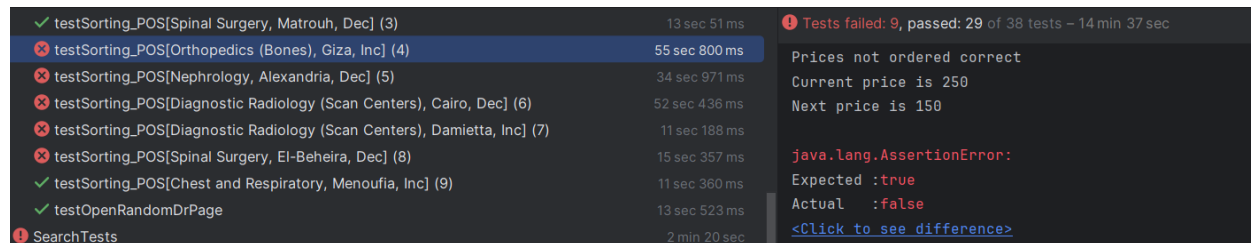

City: Alexandria

b. Screenshot:

testSearchByDifferentCriteria___Wed-Dec-06-18-26-46-EET-2023.png

c. Reason: Unstable of internet connection during execution.

2- testSorting_POS

Based on the message printed in Console, there is wrong ordering in prices, this happens in 6 test cases as shown in table below.

Test Data (Specialty, City, Sorting order)	Error Message
Dentistry (Teeth), Alexandria, Inc	Prices not ordered correct Current price is 200 Next price is 50
Orthopedics (Bones), Giza, Inc	Prices not ordered correct Current price is 250 Next price is 150
Nephrology, Alexandria, Dec	Prices not ordered correct Current price is 100 Next price is 200
Diagnostic Radiology (Scan Centers, Cairo, Dec	Prices not ordered correct Current price is 2 Next price is 350
Diagnostic Radiology (Scan Centers), Damietta, Inc	No Doctors available, please check the Test Data
Spinal Surgery, El-Beheira, Dec	Prices not ordered correct Current price is 120 Next price is 150

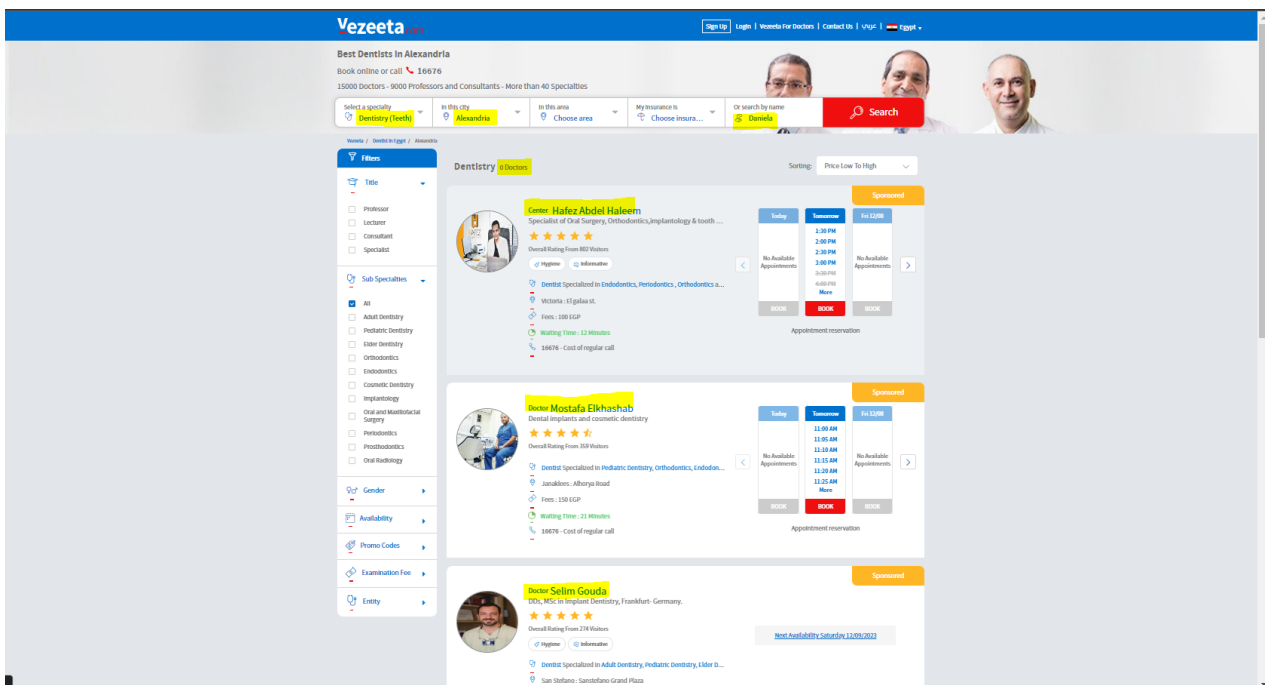

3- testSearchByDifferentCriteria_NEG

This test case was searched by non-Egyptian names, and the result should be zero doctors appearing.

It seems that the Dr. Card, which has a sponsored tag, doesn't reflect in the count of results.

- Case 1: Dentistry (Teeth), Alexandria, Daniela

```

Healthy Care Clinics

4- Other Findings:

A. No price is available for doctors. (Search for Dr. Waleed Hosny)

The screenshot displays the Vezeeta.com website interface. At the top, there's a blue header with the Vezeeta logo, a 'Sign Up' button, and links for 'Login', 'Vezeeta For Doctors', 'Contact Us', and language/location options (عربي | Egypt). Below the header, a section titled 'Best Doctors in Cairo' features three doctor portraits and the text 'Book online or call 16676' and '15000 Doctors - 9000 Professors and Consultants - More than 40 Specialties'. A search bar is present with filters for 'Select a specialty', 'In this city' (Cairo), 'In this area', 'My insurance is', and 'Or search by name' (Waleed Hosny). A red 'Search' button is on the right. On the left, a 'Filters' sidebar includes 'Title' (Professor, Lecturer, Consultant, Specialist), 'Gender', 'Availability', 'Promo Codes', 'Examination Fee', and 'Entity'. The main content area shows 'All Specialities' with 97 Doctors. The first result is for 'Doctor Waleed Hosny', a specialist of speech and hearing impairment, with a 5-star rating and 'No Available Appointments' message. The second result is for 'Doctor Waleed Yosry Omar', a consultant of Ear, Nose and Throat, with a 5-star rating and a booking calendar showing 'No Available Appointments' for the selected dates. The calendar has columns for 'Today', 'Tomorrow', and 'Sat 12/16', with time slots from 6:00 PM to 10:00 PM. A 'BOOK' button is visible for each slot. The bottom of the calendar section states 'Reservation required, first-come, first-served'.

B. Sponsored Tag not working probably:

- Normally there are 10 (Unsponsored) Doctors per page.
- Sponsored Doctors are added on top of 10 unsponsored Doctors.

Example 1: Dentistry (Normal Behavior)

- You will see first 3 doctor-card-X duplicated and the difference is sponsored div with sub class name as marked below

The screenshot displays a web application interface for finding dentists. The main content area shows a list of dentists, each with a profile card. The first three dentists are duplicated, and the difference is highlighted by a sponsored div with a sub class name. The DOM tree on the right shows the structure of the page, with the sponsored div highlighted in yellow.

DOM Tree Structure:

```
<div id="doctor-card_51814" data-testid="doctor-card-0" class="Card style_CardContainer-sc-1rtf81p-0 iSRHyn">

</div>
</div>
```

Example 2: Andrology and Male Infertility Page 3 (Abnormal behavior)

- It shows only 10 doctors per page, but one of them has sponsored tag.

The screenshot displays the Vezeeta website's search results for 'Andrology and Male Infertility' specialists in Cairo. The page lists four doctors, each with a profile card showing their name, specialization, ratings, and availability. Doctor Ahmed Keshk's profile is highlighted with a 'Sponsored' tag. The right side of the image shows the browser's developer tools, specifically the 'Elements' panel, which highlights the 'Sponsored' tag in the HTML code for Doctor Ahmed Keshk's profile.

```
